SOLUTIONS

Food & Beverage **Solutions**

Womack Electric Supply Company understands that food processing plants play a vital role in our local communities and our economy. Today's plants are only as effective as their electrical components and systems. Amidst an ever-changing technological landscape, we bring you cutting-edge electrical products from the most respected manufacturers in the industry.

Our Commitment

Food and beverage production facilities are amongst the most highly regulated sectors of any industry, often operating on thin margins. With energy costs rising and both codes and regulations continually changing, use Womack as part of your operational strategy. We specialize in providing solutions in energy conservation, electrical component specifications and improving operational efficiencies so you can concentrate on keeping your facility running at capacity. Whether you are bringing your plant up to code or increasing production, Womack is here to handle all of your electrical needs.

Established in 1938, Womack Electric's customer centric philosophy serves to focus our efforts on consistent conformance to customer expectations for quality products and professional service. We understand that our own success is a direct result of the success of those we serve. We articulate this philosophy every day in the capabilities and pride of workmanship of every Womack Electric employee serving you.

Womack Electric is proud to be a member of the Crescent Electric Supply family and is dedicated to being the leading distributor of quality products and value-added services. Crescent Electric is one of the eight largest electrical distribution companies in the U.S. Crescent Electric serves contractors, as well as, commercial, institutional and industrial customers with a broad line of electrical, lighting, industrial, automation and datacomm products from 160+ branches nationwide.

Our Value

Local Service, National Support

- Local, Extensive Inventory
- 160+ Convenient Locations
- Wire & Cable Management
- Pre-Fabrication Solutions
- Womack University – Training
- Online Billing & Accounting
- Customer Service Guarantees
- Estimation Software Solutions
- On-Staff Solutions Specialist
- Contractor Marketing Solutions
- Daily Deliveries
- Kitting Capabilities
- Staging & Storage
- Custom Solutions
- 24-Hour Emergency Support
- Inventory Services & Solutions
- Project Management Services
- WES Connect - Online Ordering

Facilities & Process Management

Striving for a level of efficiency where energy consumed is energy used towards production. Your area of expertise is food and beverage processing. Ours is power security and energy management. Discover how together we can help food and beverage processing facilities do more with less.

- Variable Frequency Drives (VFDs)
- Soft Starters
- Solar Energy Solutions
- Electric Vehicle Charging Stations
- Control Communications
- Lighting & Control Systems
- Motors
- SCADA Software
- UPS Systems
- Ethernet & Industrial Networks
- Generators

Good Manufacturing Processes (GMP)

Womack Electric offers a wide array of food and beverage plant specific electrical products. Take the worry out of electrical system functionality and allow your staff to concentrate on productivity.

- Stainless Steel Conduit
- Stainless Steel Fittings
- Stainless Steel Enclosures
- Coated Conduit/Fittings
- Liquid-Tight Fittings
- NSF Rated Products
- Corrosion-Resistant Products
- Hygienic Design Products
- Operator Interfaces

Safety

Food and beverage production facilities demand safe, reliable and resilient power to provide sustainable results and scale for future growth. Partner with Womack to ensure your focus remains on productivity with always-on, efficient power that controls costs, maximizes capacity and enhances safety.

- Area Scanners
- Short Circuit Protection
- Explosion-Proof Enclosures
- Purge & Pressurization
- Isolation Barriers
- Intrinsic Safety
- Personal Protective Equipment
- Arc Flash Safety Audits
- Light Curtains
- Safety Mats
- Machine Safety Audits
- Signaling

Water Tight Devices

When it comes to safety, everyone knows that water and electricity create a dangerous environment. Ensuring a water-tight seal for electrical devices is critical for ensuring maximum safety of personnel in any wet environment.

- Wiring Devices
- Plugs & Connectors
- Locking Plugs
- Receptacles
- Mechanical Interlocks
- Sensor Actuator Boxes
- Enclosures
- Pin & Sleeve
- Covers
- Flexible Conduit & Fittings
- Conduit Boxes

Lighting & Controls

Whether you are designing a new facility or upgrading an existing one, Womack Electric is your one source for energy efficient lighting and controls solutions. Our customers rely on our expertise and comprehensive solutions that reduce operating costs, meet requirements, and provide the best possible return on their investment.

- NSF Rated
- LEDs
- Wet Location Fixtures
- Cold Storage Lighting
- Lamp Recycling
- Outdoor Lighting
- Shatter-Resistant
- Dimmers
- Occupancy Sensors
- Vacancy Sensors

Automation & Controls

Womack Electric brings innovation to every level of food and beverage production — from HMIs to drives and disconnects — to enable facilities to improve operational and energy efficiency, as well as personnel safety.

- Programmable Logic Controls (PLCs)
- Machine Vision
- Conveyance Monitoring
- Human Machine Interfaces (HMIs)
- Control Redundancy
- Sensors: Flow, Pressure, & Ultrasonic
- Temperature & Humidity Control
- ID Systems
- Industrial Networking
- Timers & Relays
- Motor Control Signaling
- Limit Switches
- Variable Frequency Drives (VFDs)

Data Communication

As food and beverage processing technology evolves, so must the electrical components that support it. We offer network solutions that allow you to easily manage changing needs.

- Structured Wiring
- Copper Cable & Connectivity
- Fiber Cable & Connectivity
- Fire & Security
- Racks, Cabinets & Hardware
- Data Centers
- Uninterruptible Power Supply
- Fiber Enclosures
- Patch Panels
- Industrial Ethernet
- Control Communications
- Security
- Cameras
- Surveillance
- Access Control

Value Added Services

Our communities rely on the food you produce. Your facility relies on electricity. Rely on Womack for more than just electrical components. We provide services and solutions that don’t come in a box, they come from thinking outside of it.

- Machine Safety Audits
- Arc Flash Audits
- Power Distribution Audits
- Energy Audits
- Rebate Assistance
- Recycling Lamps, Ballasts & Batteries
- VFD Start Up & Commissioning
- Engineering Services
- ROI Analysis
