

BROAN

**Tired of paying high electric bills to cool your attic?
Let the sun and Broan® work for you.**

It's easy. Just swap out your old powered attic ventilator for a new Broan Solar Powered unit.

WIN BIG THIS SEASON IN THE BROAN® "GO GREEN-GET GREEN" SOLAR SWAP SWEEPSTAKES!*

Earn a chance to win one of three cash prizes, just by swapping your powered attic ventilator for a Broan Solar Powered Attic Ventilator. Plus, you'll get a \$40 rebate directly from Broan.

Here's how it works:

- Have your contractor replace your current powered attic ventilator with a Broan Solar Powered Attic Ventilator.
- Complete the official entry form with your contractor and provide photographic proof of the installation in the form of a before and after photo and forward to Broan.
- When your entry has been received and verified, Broan will send you a \$40 rebate check.
- Each installation qualifies for the \$40 rebate and one entry into the sweepstakes.
- Three prize levels will be awarded:

First Prize: **\$2,500** split between homeowner and contractor

Second Prize: **\$1,500** split between homeowner and contractor

Third Prize: **\$1,000** split between homeowner and contractor

*No purchase necessary. See Official Sweepstakes Rules included with Official Sweepstakes Entry Form for details or go to <http://www.broan-nutone.com/gg.asp>. Your contractor has the Official Sweepstakes Entry Form.
