

Lamp Dimmers

Convenient Dimmers for Floor and Table Lamps

spacer SYSTEM™

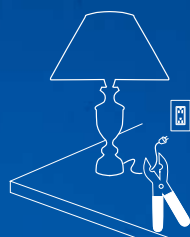

Use for a single lamp or as part of an entire system, for remote control convenience of every light in a room

Attaché®

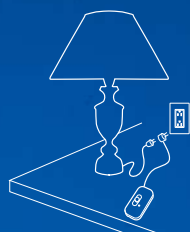

Attaches to cord for fingertip control of a single lamp

Credenza®

Just plugs in for fingertip control of a single lamp

Product Features

- Convenient dimmers for table and floor lamps
- Lets you use a standard light bulb instead of a costly 3-way
- Lamp dimmers make it easy to turn lights on and off without reaching under the lamp shade
- Lamp dimmers feature LEDs that glow softly as night lights
- Place dimmer on tabletop for easy operation

Specification Features

- Electrostatic discharge protection
- Captive sliders and dimming rockers
- Includes radio frequency interference suppression circuitry
- Power-failure memory
- Attaché accepts standard SPT-2 lamp cords
