 • These cabinets include built-in lighting
 ▪ Oversized cabinets feature a larger mirror and greater storage space

What do you need in a medicine cabinet? Perhaps it's a rich hardwood frame that complements the cabinetry in your home, or the ability to transform a simple wall into a model of organization. Maybe it's quality hinges that will hold up to the demands of a growing family, or an elegantly beveled mirror that provides a true reflection. With styles, sizes and an unsurpassed range of quality features matched to every budget, Broan-NuTone® has your medicine cabinet.

†To determine the quantity of Gang Kits needed, subtract 1 from the number of cabinets to be "ganged." When ganging cabinets that will be surface mounted, 1 Surface Mount Side Mirror Kit is needed for each cabinet. See Example 2.
 Example 1: Recess three cabinets in a row (3 cabinets - 1) = 2 Gangable Attachment Kits.
 Example 2: Surface mount four cabinets in a row (4 cabinets - 1) = 3 Gangable Attachment Kits, plus 4 Surface Mount Side Mirror Kits.

Gangable Attachment Kit(s) must be used when two or more cabinets are mounted side-by-side to ensure proper attachment and spacing. Cabinets can be "ganged" together in either recessed or surface-mount styles. Shown above, three Metro Deluxe (52WH244DP) cabinets joined by two Gangable Attachment Kits (76GK).

Metro Classic

Like its Deluxe sibling, Metro Classic provides flexible design solutions, outstanding features, and a transitional look that fits any décor.

Metro Shapes

Tired of typical "square mirrors" on medicine cabinets? Well, so were we. That's what inspired us to create new Metro Shapes in a dramatic Oval, Arch and Octagon. With beveled front mirrors, Metro Shapes are beautifully functional, high quality cabinets. They're perfect over pedestal lavs in powder rooms, or in contemporary bathrooms where shapes add character, and make a statement about the room as well as the owner.

Metro Arch

Note: The Arch is hinged on the right side only.

- Exterior beveled mirrors ensure a deep, distortion-free, rich reflection.
- Interior mirrors on the back of the cabinet add light and functionality.
- Adjustable glass shelves provide light reflection, strength and easy cleaning.
- Metro **Arch** and **Octagon** feature three shelves; Metro **Oval** features two.
- Snap-fit shelf supports ensure glass shelves stay in place, but can be easily removed for cleaning.
- 14-1/4" wide wall openings allow for easy retrofit installations or between studs for new construction.
- Fabricated steel construction features a durable rust-resistant finish.
- Corner bumpers cushion the door for a soft, quiet close.
- ISTA approved packaging provides safe shipment and handling.
- Metro **Oval** and **Octagon** may be installed for left- or right-hand door opening.
- The **Arch** is right-hinged only.
- 125 degree concealed hinges on Metro **Octagon** and Metro **Arch** provide wide door opening and smooth operation.
- The Metro **Oval** features a piano hinge that opens 90 degrees.

Metro Oversize

Looking for more storage in your bathroom, but don't have much room? Do you prefer a single elegant mirror, rather than a medicine cabinet with two or three doors? If so, our Metro Oversize Series provides a tremendous amount of storage space in a simple and clean presentation. Our flat and beveled exterior mirror options will complement any décor.

Torino

Shown: Torino 5528

The Torino features a beveled edge and frosted cut-glass arched design that's ideal over "his-and-hers" vanities or dual pedestal lavatories. Optional side light fixtures match the look with beveled-edge mirror backplates and a frosted glass shade.

Shown: 73591 side light kit

Cameo Oval Bevel

Shown: Cameo 1350

The Cameo Oval brings a touch of elegance to any room. Its frameless, 1" beveled-edge premium float glass mirror is supported by heavy-gauge steel construction. Adjustable shelves and a convenient reversible door are included in this perfect complement for powder rooms and pedestal lavatories.

Mirage

Shown: Mirage 1454 and optional 73190 side light kit (inset)

Like a multi-faceted gemstone, the octagonal Mirage mirror is framed in a 1/2" beveled edge. Optional sidelights with clear glass shades feature the same beveled-edge mirror treatment on rectangular backplates.

Sonata

Shown: Sonata 258 with optional 72052 side light kit

Sonata's graceful top and bottom curves combined with a 1/2" beveled-edge mirror create an elegant focal point. Matching optional side light fixtures feature a beveled-edge mirror backplate and distinctive frosted shades with chrome-plated fittings.

Mirror-On-Mirror

Shown: Mirror-On-Mirror 1450BC

Contemporary Mirror-On-Mirror designs create a classic, upscale look. Both models feature a clear center mirror with a 1/2" beveled-edge grey background mirror for an all-glass, picture frame effect.

Simplicity

Shown: Simplicity 530924

At times a name says everything. Simplicity unites a frameless beveled-edge mirror and a large viewing area. This oversized cabinet provides more storage room when space is at a premium.

Classic design comes alive in the painted white wood of the Prairie. It's striking when displayed alone or in pairs.

Canterbury

Shown: Canterbury 8570 with 76378 top light kit

The traditional arch design of the Canterbury adds a touch of elegance at an affordable price point. The solid oak frame, optional top lights with glass shades and brass fittings welcome everyone to your home.

Chapel Hill

Shown: Chapel Hill 8278

Southern charm abounds in the Chapel Hill. Unassuming in design, its solid oak, honey-finished frame features rounded-edge styling that helps soften the look of any bath or powder room.

Oakdale

Shown: Oakdale 2072

The Oakdale is a remarkably efficient cabinet. With integral lighting, installation is an easy, one-step process. Framed in solid oak with a warm honey oak finish, the Oakdale is comfortable in traditional and contemporary settings.

Oakhill

Shown: Oakhill 177930

Classically shaped edges and a solid oak, honey-finished frame make the Oakhill a traditional favorite. Attached top lights facilitate easier recessed or surface-mount installation, and the reflective lighting panel directs light into the room.

Our versatile Louver Door cabinets provide additional storage yet are cleverly concealed. The unfinished pine louver door is ready to be painted or stained to match your bath or powder room. Or, choose a white molded polystyrene door (model 615 only) that does not require a finish.

The steel door of the Hideaway can be painted or wallpapered to visually blend with any wall finish. This hidden storage solution can be installed for left- or right-hand door opening, and secures with a magnetic latch.

The Drop Door Perfume Cabinet is an attractive way to display small perfume vessels or other unique collectibles. The drop door features a stenciled pattern panel with a 3/4" bevel, and mirrored upper doors with a matching 3/4" beveled edge. Two adjustable shelves let you customize storage to suit your needs. For an elegant finishing touch, brass hinges, knobs and shelf supports provide just the right complement to your bath or powder room accessories.

Add style and variety to any bath or powder room with a distinctive two-compartment Perfume Medicine Cabinet. The vertical compartment features a clear, beveled-edge glass window with a delicate stenciled pattern. It's perfect for displaying designer fragrances and colorful beauty items on three generous shelves. The large compartment features a framed, beveled-edge mirrored door and two shelves. Brass hardware finishes the cabinet handsomely.

- 10.** To determine the quantity of Gang Kits needed, subtract 1 from the number of cabinets to be "ganged."
Example 1: Recess three cabinets in a row (3 cabinets - 1) = 2 Gangable Attachment Kits.
Example 2: Surface mount four cabinets in a row (4 cabinets - 1) = 3 Gangable Attachment Kits, plus four Surface Mount Side Mirror Kits.
