

OUR MISSION

To achieve excellence in customer satisfaction through continuous growth and constant improvement.

Since 1938, the Womack name has been synonymous with bringing superior products and customer service to the trade industries. At Womack, our goal is to provide you with the efficient, time-saving value of a single equipment and service source for all your tooling needs. We offer a unique ability to serve our customers with a comprehensive offering of electrical and safety products, tools, tool services and project management services.

Contact us directly by visiting the Womack Tool Sales & Service Center located in Burlington, NC, or by connecting with us online to shop our comprehensive offering of trade tools. Tool service and repair inquiries may be made at any Womack branch location, which in addition serve as drop off locations for tool repair services.
