Guest Panel

Susie Coble, Sales and Marketing Director - L.W. French, works within sales, marketing and merchandising to better serve manufacturers and distributors with product choice, solutions and strategies. Her passion is to energize and engage her sales team to have the right tools and info to interact and support distributors and end users.

Debbie Meek, Branch Supervisor with Womack Electric Supply. Debbie's first exposure to the electrical industry began 28 years ago when she started with Womack as an administrative assistant. Thru her career with Womack, she discovered her passion for helping both customers and fellow employees succeed.

Jenny Spitzer, Co-owner Spitzer Electric since March, 2009. Jenny and her husband Kirk work as a team. She manages all of the logistics and business matters. He handles the estimating and job sites.
