

# MANUFACTURING SOLUTIONS

**MAXIMIZING CAPACITY THROUGH EFFICIENT,  
RELIABLE AND SCALABLE SOLUTIONS**

# Our Commitment

Womack Electric Supply Company understands that manufacturing facilities play a major role in our local communities and our economy. Today's plants are only as effective as their electrical components and systems. Amidst an ever-changing technological landscape, we bring you cutting-edge electrical products and service solutions designed to keep

your lines up and running, and complete your projects on time and on budget.

Established in 1938, Womack Electric's customer centric philosophy serves to focus our efforts on consistent conformance to customer expectations for quality products and professional service. We understand that our own success is a direct result of the success of those we serve. We articulate this philosophy every day in the capabilities and pride of workmanship of every Womack Electric employee serving you.

Womack Electric is proud to be a member of the Crescent Electric Supply family and is dedicated to being the leading distributor of quality products and value-added services. Crescent Electric is one of the eight largest electrical distribution companies in the U.S. Crescent Electric serves contractors, as well as, commercial, institutional and industrial customers with a broad line of electrical, lighting, industrial, automation and datacomm products from 160+ branches nationwide.
