

IMPORTANT NOTICE

TEMPORARY HOLD ON ALL MATERIAL RETURNS

In light of the current **global health challenge** we are facing together and to continue doing our part to protect our employees, customers, suppliers and the community we are implementing a:

TEMPORARY HOLD ON MATERIAL RETURNS *EFFECTIVE IMMEDIATELY.*

Until further notice we ask that you please:

- Do not bring Material Returns back to the counter or give to a Womack driver.
- Hold on to your Material Returns temporarily.

We appreciate your understanding during this challenging time.

We assure you that we will notify you as soon as this temporary hold is released and will quickly process your returns at that time.
