

ENERGY SOLUTIONS

INNOVATIVE SOLUTIONS FOR YOUR BUSINESS

Our Commitment

As experts in the electrical industry, Womack Electric Supply Company is your source for energy saving solutions. We can help you navigate the complex world of innovative energy products, new technologies and financial incentives to help you recognize a timely payback.

Established in 1938, Womack Electric's customer centric philosophy serves to focus our efforts on consistent conformance to customer expectations for quality products and professional service. We understand that our own success is a direct result of the success of those we serve. We articulate this philosophy every day in the capabilities and pride of workmanship of every Womack Electric employee serving you.

Womack Electric is proud to be a member of the Crescent Electric Supply family and is dedicated to being the leading distributor of quality products and value-added services. Crescent Electric is one of the eight largest electrical distribution companies in the U.S. Crescent Electric serves contractors, as well as, commercial, institutional and industrial customers with a broad line of electrical, lighting, industrial, automation and datacomm products from branches nationwide.
