

HELP FIND A CURE!

Purchase a Pink Bucket today for \$6 to support Breast Cancer Research and help find a cure. Crescent Electric Supply and our subsidiaries have partnered with BCRF - Breast Cancer Research Foundation to donate 100% of your Pink Bucket purchase price to the BCRF. Donation applies to your \$6.00 purchase price of the Pink Bucket. Your donation will show up as a line item on your invoice as Pink Bucket donation to BCRF.

We believe research has the power to bring an end to breast cancer.

In Memory of **Sheila Rupp**

In memory of our good friend and co-worker Sheila Rupp. Sheila was with Crescent Electric for over 40 years.

Sheila was diagnosed with breast cancer in December of 2011. She fought off cancer as long as she could and lost her battle in May of 2021 at the young age of 60. She had a great laugh, a big smile and a bigger heart. All that knew her were proud to call her friend. We will miss her always.

In memory of all those we have lost to breast cancer. We are committed to creating a world without breast cancer.

Supporting Vendors:

For your support to BCRF, we will give you a 10% discount on the products you purchase from any of the vendors listed on the Pink Bucket. Stock products only. Products cannot protrude higher than 5 inches above the rim of the bucket. All products eligible for the 10% discount must fit inside the bucket at the same time. Backordered products do not qualify for the discount. Products must remain in their original packaging. Discount only applies one time per bucket purchased. Customer may purchase more than one bucket. While Pink Bucket supplies last. Not valid on prior or online purchases. Discount excludes Ideal Test and Measurement products.

Hurry limited time offer. Special discount offer valid from **October 1st to Nov 1st 2021**, when purchasing a Pink Bucket.

Offer good at all participating Crescent companies listed below.
