

FARM & RANCH CAMERA SOLUTIONS

Farm & Ranch Camera Solutions

An ideal video monitoring solution with no cords and no wiring hassles, when in areas with limited or no Wi-Fi access or no electrical power source.

A monitored farm or ranch...

- ✓ ***is safer & more secure!***

Allows for real-time monitoring of fields, buildings, equipment, livestock, and other critical areas of operation.

- ✓ ***deters criminal activity and theft!***

Provides 24/7 coverage giving would be thieves second thoughts about whether the area is an easy target.

- ✓ ***is more productive and efficient!***

Remotely monitor and audit processes to ensure best practices, efficiencies, and security. Reduces the risk of unwanted downtime and interruptions.

- ✓ ***remains on schedule!***

Monitor employee performance, document processes, and provide live feedback remotely.

Features & Benefits

100% Wire-Free

Free from messy cables and wiring hassles. Works independently to provide live feed.

Solar Powered

Non-stop reliable power supply via rechargeable battery.

Night Vision

Captures the smallest details even in low light conditions.

HD

True 1080p (1920*1080) full HD provides clearer and sharper images/videos.

110° Wide Viewing Angle

Provide wider field of vision, cover more areas and reduce blind spots.

IP65 Certified Weatherproof

Braves it all, rain, or shine, intense cold or heat.

PIR Motion Sensor

Smart PIR sensor detects if anything is wrong and triggers alerts.

Intelligent Alerts

Get app push notifications, emails, and sound alerts (siren) in real time.

Two-Way Audio

Built-in mic & speaker to listen in and talk back interactively.

Live View Anytime Anywhere

Live viewing via Windows PC or mobile app anywhere & anytime.

Motion Detection Record

Record motion events for playback on Windows PC or mobile app.

Customized Voice-Recordable Alerts

Record your own alert message and get notified with it when motion is detected.

License Plate Capture Cameras

Protect your property day or night with Womack Security Solution's license plate capture cameras. Due to their reflective nature, license plates have always been very difficult to photo capture, especially at night. Our cameras reliably document license plates on vehicles traveling as fast as 50 miles per hour (80 km/h) with color images by day and No Glow covert infrared images by night.

Images: 720p widescreen or standard color images by day; monochrome by night

InstaOn™ Trigger Speed: 1/5 second

RapidFire™ NearVideo™: Up to 3 frames per second

Video with Audio: 720p wide or standard 5 frames per second

Time-Lapse Surveillance: 5, 15, or 30 seconds or 1, 5-, 15-, 30-, or 60-minute intervals

Solar powered: No cords or wiring hassles

Understanding Your Needs

Farmers and ranchers have always been pioneers in technology, and more and more are using cameras in their daily work. Cameras help with security around the property and allow you to monitor your animals and other important areas of operation. They are a great tool during the hectic days when you need to be many places at once.

Our Commitment

Womack's Field Services division understands these challenges and is committed to providing superior product and service solutions to help farmers and ranchers provide for safety, security and management of their property, livestock, and workers. Womack Security Solution's security camera risers provide 24/7 coverage, monitoring and recording site security, processes, and more, all while allowing you opportunity for real-time access, feedback, and management.

Established in 1938, Womack Electric's customer centric philosophy serves to focus our efforts on consistent conformance to customer expectations for quality products and professional service. We understand that our own success is a direct result of the success of those we serve. We articulate this philosophy every day in the capabilities and pride of workmanship of every Womack Electric employee serving you.

Womack Electric is proud to be a member of the Crescent Electric Supply family and is dedicated to being the leading distributor of quality products and value-added services. Crescent Electric is one of the eight largest electrical distribution companies in the U.S. Crescent Electric serves contractors, as well as commercial, institutional, and industrial customers with a broad line of electrical, lighting, industrial, automation and datacomm products from 160+ branches nationwide.
